Directions to Thomas & Graham (please note the Expressway directions are generally easier than the Parkway directions):

From Eastern Long Island(Westbound):

Long Island Expressway to Exit 34 (New Hyde Park Road). Take New Hyde Park Road south across the Expressway and turn right on Hollow Lane at the first light after the Service Road and just before the entrance to the Northern State. We are the first entrance on the left.

Northern State Parkway to Exit 26N (New Hyde Park Road). Go over the Expressway to the end of the road and turn left on to the north Service Road. Go one light to Community Drive and turn left. Turn left on to the south Service Road. Go past the High School. We are the first building on the right. There is an entrance from the Service Road or from Hollow Road (just past our building).

From NYC or Queens(Eastbound):

Long Island Expressway to exit 33 (Lakeville Road). Stay on Service Road and cross Lakeville Road and Community Drive. Go past the High School. We are the first building on the right. There is an entrance from the Service Road or from Hollow Road (just past our building).

Grand Central Parkway/Northern State Parkway. Go to Exit 26N (New Hyde Park Road). As quickly as possible, get to the left and make a left on to Hollow Lane at the first light. Be careful NOT to enter the Parkway as they are side-by-side. We are the first building on the left.

By Train from NYC:

Take LIRR Port Washington Line to Great Neck Station. You should be able to find a cab at station. Cab can travel south down Middle Neck Road. Once it crosses Northern Boulevard, it becomes Lakeville Road. Cross under LIE and make a left on the south Service Road. Follow directions above from NYC via the LIE.

Once in Building Complex:

You do not need a permit to park. Enter building and locate elevators in middle. Take any elevator to third floor. Locate the black/blank directory board in the middle of the hall. With your back to that walk forward and turn right. Follow that hallway straight and to the left. Our suite, 309, is at the end of the hall. We share the suite with Core Title Services.
